

According our initial Agenda:
you must include today (in the
classroom) the first version of
your work report

18 May 2022

initial Agenda:

Aims until end of May

- **Desing a possible solution ; (for April 27)**
- **Implement this for solving your problem (first version May 4) ;**
- **Second version with improvements and results (May 11) ;**
- **Report this researche propely and results comparisons (May 18) ;**
- **Organize it as a conference paper (May 27) to be submitted in some conference of Signal and Image as:**
 - **35th SIBGRAPI 2022 (Natal – July 3) !**
 - **Or (CLEI SLCGRVPI 2022 - Latin America Simposium of Computer Graphics, Virtual Reality and Image Processing)**

ok ! so...

But can be any other conference of way :

Lets us know to what vehicle you decide to hypothetically consider....

and Applications Conference** MeSSAC 2022
24-26 AUGUST 2022
Online and on-demand

**British Journal of Healthcare & Medical
Research (BJHMR)**
Services for Science and Education, United Kingdom

(Thank you for include **vehicle name** in your presentation or report and **include it in the classroom pdf** - *in order I can read until tomorrow !*)

Remember, that in the **paper**

The Title , Abstract and conclusion have to direct the reader for the **main ideas of your contribution** to the area of your work ;

and:

You must be as clear as possible when reporting the novelty and creation done by you : **declare it the paper !)**

Lets Browser your work, now !

And put its main aspect **as** an algorithm to be easily copy by the readers !

For instance: if **your main point** is an feature report it as simple you can for disseminate it !)

You must to do it....

Almost all of you considered a **new aspects**
you must **advertise** this !

Next week is my work send you all **your grades and evaluation in our course.**
(but you can reply all aspects, ok)

So lets begin

Contact us (professor or Jordan)

- In case of any issue or doubt

Thank you !
